

# Complete action plan

## GAP Data collation and management

---

### *Vision statement*

To ensure that data relating to the biodiversity resource within Pembrokeshire is effectively stored, managed and used.

---

### Plan targets

#### **Code**    **Target**

DACM1 To maintain a Local Records Centre for the Pembrokeshire and Dyfed area

#### **Code**    **Target**

DACM2 To support a Marine Records Centre for the collation of marine data

#### **Code**    **Target**

DACM3 To provide a detailed, quantitative assessment of the current distribution, quality and extent of the biodiversity resource within Pembrokeshire

**Goal:** Species survey 10 surveys by 01/02/2010

**Total achieved so far:** 0 surveys

#### **Code**    **Target**

DACM4 To use biological survey information to further the protection, improvement and understanding of the biodiversity resource

#### **Code**    **Target**

DACM5 To promote biological recording within Pembrokeshire in collaboration with the County Recorders and West Wales Biodiversity Information Centre

**Goal:** Biological records input to WWBIC 10000 Number of records by 01/02/2010

**Total achieved so far:** 0 Number of records

**Goal:** Sites surveyed 5 WoYP Community Areas by 31/12/2007

**Total achieved so far:** 0 WoYP Community Areas

---

## Plan actions

### **Code Action**

ARIA- Pembrokehire Bird Club web-site set up with daily records  
AW- <http://www.pembrokeshirebirdgroup.blogspot.com/>  
02

**Status:** Not started (for this period)

**Dates:** 01/12/2006 - Ongoing

#### **Organisation(s)**

Lead Wildlife Trust for South and West Wales  
role:

#### **Location(s)**

Pembrokeshire (County)  
Wales (Country)

#### **Most recent progress reports by each reporting organisation:**

**Reporting organisation:** Wildlife Trust for South and West Wales

**Contact name:** Nigel Ajax-Lewis

**Report period:** 01/12/2006 - 05/05/2011

#### **Progress:**

Records entered weekly

### **Code Action**

DACM1.01 Establish a Local Records Centre for Pembrokeshire and Dyfed

**Status:** Completed

**Dates:** 05/07/2003 - 01/09/2007

#### **Organisation(s)**

Lead West Wales Local Record Centre  
role:

Support Pembrokeshire Biodiversity Partnership  
role:

#### **Location(s)**

Pembrokeshire (County)

### **Code Action**

DACM1.02 Maintain fully functioning Local Records Centre for Pembrokeshire and Dyfed

**Status:** Underway (on schedule)

**Dates:** 01/09/2007 - Ongoing

**Organisation(s)**

Lead West Wales Local Record Centre  
role:

Support Environment Agency  
role:

Pembrokeshire Coast National Park Authority

Pembrokeshire County Council

Wildlife Trust for South and West Wales

**Location(s)**

Pembrokeshire (County)

**Code Action**

DACM1.03 Ensure all survey and monitoring data captured by Pembrokeshire Biodiversity Partnership members is transferred to WWBIC

**Status:** Not started

**Dates:** 01/01/2008 - Ongoing

**Organisation(s)**

Lead Pembrokeshire Biodiversity Partnership  
role:

**Location(s)**

Pembrokeshire (County)

**Code Action**

DACM1.04 Ensure that ecological data collected as part of planning applications is transferred to the WWBIC

**Status:** Not started

**Dates:** 01/01/2008 - Ongoing

**Organisation(s)**

Lead Pembrokeshire Coast National Park Authority  
role:

Pembrokeshire County Council

**Location(s)**

Pembrokeshire (County)

**Code Action**

DACM2.01 Ensure all marine survey and monitoring data captured by Pembrokeshire Biodiversity Partnership members is transferred to

the Marine Record Centre once established

**Status:** Not started

**Dates:** 01/01/2008 - Ongoing

**Organisation(s)**

Lead Pembrokehire Biodiversity Partnership  
role:

**Location(s)**

Pembrokehire (County)

**Code Action**

DACM2.02 Ensure that marine ecological data collected as part of planning applications is transferred to the Marine Records Centre once established

**Status:** Not started

**Dates:** 01/01/2008 - Ongoing

**Organisation(s)**

Lead Pembrokehire Coast National Park Authority  
role:

Pembrokehire County Council

**Location(s)**

Pembrokehire (County)

**Code Action**

DACM3.01 Recruit a team volunteer species surveyors and provide appropriate training and equipment

**Status:** Underway (on schedule)

**Dates:** 01/03/2007 - Ongoing

**Organisation(s)**

Lead Pembrokehire Biodiversity Partnership  
role:

**Location(s)**

Pembrokehire (County)

**Most recent progress reports by each reporting organisation:**

**Reporting organisation:** Pembrokehire Biodiversity Partnership

**Contact name:** Bethan Cox (Biodiversity Implementation Officer)

**Report period:** 01/03/2007 - 28/03/2008

**Progress:**

Community Resource Box available for individuals and groups to borrow field survey equipment and field guides

**Code      Action**

DACM3.02 Identify key areas to deploy volunteer surveyors to gather biological data for transfer to WWBIC / Marine Records Centre

**Status:** Not started

**Dates:** 01/01/2007 - Ongoing

**Organisation(s)**

Lead    Pembrokeshire Biodiversity Partnership  
role:

**Location(s)**

Pembrokeshire (County)

**Code      Action**

DACM3.03 Establish an inventory of all research affecting LBAP Habitats and Species, including atmospheric pollution and climate change

**Status:** Not started

**Dates:** 01/01/2008 - Ongoing

**Organisation(s)**

Lead    Pembrokeshire Biodiversity Partnership  
role:

**Location(s)**

Pembrokeshire (County)

**Code      Action**

DACM4.01 Provide ecological data to the public as required

**Status:** Underway (on schedule)

**Dates:** 01/01/2008 - Ongoing

**Organisation(s)**

Lead    West Wales Local Record Centre  
role:

**Location(s)**

Pembrokeshire (County)

**Code      Action**

DACM4.02 Compile a GIS register of all LBAP habitats and species within WWBIC databases

**Status:** Underway (on schedule)

**Dates:** 01/01/2008 - Ongoing

**Organisation(s)**

Lead West Wales Local Record Centre  
role:

**Location(s)**

Pembrokeshire (County)

**Code Action**

DACM4.03 Compile a GIS register of all LBAP habitats and species site owners. Identify owners of sites supporting LBAP habitats and species for management advice and grant aid schemes

**Status:** Not started

**Dates:** 01/01/2008 - Ongoing

**Organisation(s)**

Lead Pembrokeshire Biodiversity Partnership  
role:

**Location(s)**

Pembrokeshire (County)

**Code Action**

DACM5.01 To deliver events to promote biological recording within Pembrokeshire and encourage the survey of new sites.

**Status:** Underway (on schedule)

**Dates:** 01/01/2007 - Ongoing

**Organisation(s)**

Lead Pembrokeshire Biodiversity Partnership  
role:

Support PLANED  
role:

**Location(s)**

Pembrokeshire (County)

**Goal:**In Pembrokeshire: Event participants 75 Persons by 31/12/2007

**Total achieved so far:** 76 achieved, assessed 02/02/2008

**Goal:**In Pembrokeshire: Sites surveyed 5 WoYP Community Areas by 31/12/2007

**Total achieved so far:** 6 achieved, assessed 02/02/2008

**Goal:**In Pembrokeshire: Sites Surveyed 5 WoYP Community

Areas by 31/12/2008

**Total achieved so far:** 5 achieved, assessed 02/02/2009

**Goal:**In Pembrokeshire: Event participants 75 Persons by 31/12/2008

**Total achieved so far:** 64 achieved, assessed 02/02/2009

**Goal:**In Pembrokeshire: Event participants 75 Persons by 31/12/2009

**Most recent progress reports by each reporting organisation:**

**Reporting organisation:** Pembrokeshire Biodiversity Partnership

**Contact name:** Bethan Cox (Biodiversity Implementation Officer)

**Report period:** 01/01/2007 - 31/03/2008

**Progress:**

Wildlife on your patch events run at 7 different sites in 2007. These days encourage local community members to look at biodiversity in their area with the help of local experts. Species lists and a report are compiled for all visits.

**Code            Action**

DACM5.02 Use species postcards to encourage members of the public to report records of wildlife sightings in Pembrokeshire.

**Status:** Underway (on schedule)

**Dates:** 01/01/2007 - Ongoing

**Organisation(s)**

Lead Pembrokeshire Biodiversity Partnership role:

**Location(s)**

Pembrokeshire (County)

**Most recent progress reports by each reporting organisation:**

**Reporting organisation:** Pembrokeshire Biodiversity Partnership

**Contact name:** Bethan Cox (Biodiversity Implementation Officer)

**Report period:** 01/01/2007 - 31/03/2008

**Progress:**

12 postcard forms returned with records.

**Code            Action**

DACM5.03 Promote national recording schemes through the Pembrokeshire Biodiversity Partnership newsletter, whilst also encouraging records to be sent to County Recorders and West Wales Biodiversity Information Centre / National Marine Records Centre.

Promote national garden wildlife surveys and competitions e.g. Garden Birdwatch, Feed the Birds Day, WTSWW Great Garden Wildlife Survey, etc.

**Status:** Underway (on schedule)

**Dates:** 01/01/2003 - Ongoing

**Organisation(s)**

Lead Pembrokeshire Biodiversity Partnership  
role:

**Location(s)**

Pembrokeshire (County)

**Most recent progress reports by each reporting organisation:**

**Reporting organisation:** Pembrokeshire Biodiversity Partnership

**Contact name:** Bethan Cox (Biodiversity Implementation Officer)

**Report period:** 01/01/2003 - 31/03/2008

**Progress:**

Surveys promoted include:

Seasearch; Harlequin Ladybird Survey; Sea Trust Surveys; National Moth Recording Scheme; South Wales Dormouse Survey; Waxcap Watch on National Trust properties; Plantlife plant invaders; Hogwatch; National Dragonfly Atlas to name a few.

**Code      Action**

DACM6.01 Monitor the extent and quality of BAP habitats, link with designated sites monitoring programmes and develop projects to monitor LBAP habitats which fall outside of protected sites through externally sourced funding streams.

**Status:** Not started

**Dates:** 01/01/2001 - Ongoing

**Organisation(s)**

Lead Pembrokeshire Biodiversity Partnership  
role:

**Location(s)**

Pembrokeshire (County)

**Code      Action**

DACM6.02 Monitor the population / range of BAP species, link with designated sites monitoring programmes and develop projects to monitor LBAP species which fall outside of protected sites through externally sourced funding streams.

**Status:** Underway (on schedule)

**Dates:** 01/01/2001 - Ongoing

**Organisation(s)**

Lead    Pembrokeshire Biodiversity Partnership  
role:

**Location(s)**

Pembrokeshire (County)
