TITLE **Local Authority Electoral Boundary Review - Update**

DATE **9 September 2021**

BY **Rebecca Evans MS, Minister for Finance and Local Government.**

On 16 June I wrote to members to set out the current position in respect of the current programme of Electoral Arrangements Reviews. I also set out the process by which I intend to communicate my decisions about each area.

This included my commitment to provide regular updates to members through written statements. This is the sixth of these statements.

On 8 September I wrote to the Leader and Chief Executive of the County of Denbighshire to confirm my decision to accept the recommendations of the Local Democracy and Boundary Commission for Wales with modifications, in respect of the County of Denbighshire.

The Local Democracy and Boundary Commission for Wales Final Recommendations Report for the County of Denbighshire can be found [here](#). The modifications made to these recommendations are set out in the annex to this statement.

In addition, I wrote to the Leader and Chief Executive of the County of Pembrokeshire to confirm my decision to accept the recommendations of the Local Democracy and Boundary Commission for Wales with modifications, in respect of the County of Pembrokeshire.

The Local Democracy and Boundary Commission for Wales Final Recommendations Report for the County of Pembrokeshire can be found [here](#). The modifications made to these recommendations are set out in the annex to this statement.

Further information will be provided once I have made decisions about other areas.

This statement is being issued during recess in order to keep members informed. Should members wish me to make a further statement or to answer questions on this when the Senedd returns I would be happy to do so.

Modifications made to the Commission's Final recommendations for electoral arrangements in the following areas.

County of Denbighshire

- The Commission proposed the name Efenechtyd be retained. The electoral ward will be given the single electoral name of Efenechdyd.
