

Procurement and the Well-Being of Future Generations (Wales) Act 2015

Policy Mapping Diagram

The Well-being of Future Generations Act's 7 well-being goals

- A Resilient Wales - Protect the natural environment and biodiversity
- A Globally Responsible Wales - Encourage ethical and global citizenship
- A Wales of Thriving Culture and vibrant Welsh Language - Reflect the diversity and culture of all communities
- A Wales of Cohesive Communities - Build thriving social enterprises, SMEs and well-connected infrastructure
- A Prosperous Wales - Support local employment, skills and training opportunities for all, and reduce greenhouse gas emissions
- A Healthier Wales - promote better physical and mental health
- A More Equal Wales - Deliver decent work with fair and equal pay conditions
