Dear Sir/Madam

Examination into the Pembrokeshire Local Development Plan 2

It appears from my records that you or your organisation submitted representations on the Pembrokeshire Local Development Plan 2 (LDP) or 'Focussed Changes' to the LDP.

I would like to take this opportunity to introduce myself as the Programme Officer responsible for assisting the appointed Inspectors with all aspects of the examination administration and hearings, working independently of the Council.

The Ministers of the Welsh Government have appointed Ian Stevens BA (Hons) MCD MRTPI and Paul Selby BEng (Hons) MSc MRTPI as the Inspectors to conduct the examination of the LDP. This would normally include a series of public hearings, but before we can move to that stage of the process the Inspectors have written to the Council requesting further information on various aspects of the LDP. A copy of their letter to the Council is available on the examination website at:
<https://www.pembrokeshire.gov.uk/local-development-plan-review/examination-2025>

As it is likely to take some time for the Council to produce this information, the Inspectors have decided to temporarily suspend the examination from now until 24 February 2026. When the requested information has been received, the Inspectors will review it and draft a programme for the examination. I will write to you again at that point.

In the meantime, if you have any questions about the examination please get in touch.

Yours faithfully

Deborah Williamson
Programme Officer
