

Dear Inspectors

This is a covering letter (ED07) to guide you through the attached documentation.

The following documentation is in response to ED01 Inspectors Initial Letter to LPA 02.12.25 and ED05 Inspectors letter 3 to LPA Dated 03.03.26. The main responses from the Council can be found in part in the Initial Questions Letter PCC Response (ED08). Within that document you will also find references to the other documentation listed in the table below and attached which also respond to the Inspectors' queries and questions.
