Fire Safety Information

We are aware that some people have been lighting fires and burning rubbish.

This is not allowed on any Pembrokeshire County Council caravan sites as caravans set on fire very easily when they are close to major heat. It is also dangerous for people to breathe in toxic smoke.

Corona Virus is dangerous to people with respiratory conditions, such as asthma. Lighting fires at this time can put family member's health more at risk.

If fires continue to be lit, further action may be taken. Please keep your families safe.
